

Technical drawing of a mechanical assembly in cross-section. The drawing shows a shaft with a keyway, a pulley, and a coupling. Dimensions are given in millimeters. The total length is 34.4 mm. The shaft diameter is 8.2 mm. The key width is 3 mm. The pulley width is 7.3 mm. The coupling width is 5 mm. The total length of the pulley and coupling is 14.3 mm. The total length of the shaft and coupling is 15.9 mm. The total length of the shaft and pulley is 34.4 mm. The drawing is labeled with 1 through 6, corresponding to the parts: 1. Shaft, 2. Key, 3. Pulley, 4. Coupling, 5. Shaft, 6. Coupling.
