

Technical drawing of a mechanical assembly in cross-section. The drawing shows a vertical assembly with a horizontal shaft. Key dimensions include a total width of 11.15, a central width of 6.2, and a small offset of 1.7. Vertical dimensions include a total height of 14.9, a central height of 11.65, and a shaft diameter of 1.27. A horizontal dimension of 8.4 is shown for the lower part. Callouts 1-1, 1-2, 2, 3, 4, 5, and 6 point to various components. At the bottom, there are labels "3~4 PUNCH" and "1/4-36 UNS-2A".
